

# Erasmus Bildungshaus in Offenbach am Main

## Career opportunity in a unique establishment:

The trilingual Erasmus Learning House for children aged 1 to 10 years includes an all-day primary school, Kindergarten (3-6 years) and nursery (1-3 years). The responsible body is the Erasmus-Offenbach gGmbH. The institution is housed in a Wilhelminian-era villa with a modern extension which lies across from the Dreieich Park in Offenbach near Frankfurt (bus, streetcar, local S-Bahn train and central train stations are within walking distance). Our establishment comprises a total of three primary school classes, four Kindergarten groups, and two nursery groups. The three languages spoken are German, English, and Spanish and are taught using the immersion method ("one person-one language"). Our aim is to establish a child-centred, reform-oriented, multilingual and all-day learning house as a living and learning place for children and educators alike.

We are currently expanding our pedagogical team in order to better implement our programme. For the care, education and support of the children as well as for the implementation of projects and special activities we seek to hire as soon as possible an
